Transcending human wickedness in its ordinary character, it assaults the dignity of a sovereign people, in the person of their highest officer, and in the contemptuous violation of God's law.

Ag iv, in remarking upon the crime which has sent such consternation through the land, consider the extreme depracity and wickedness of the spirit which inspired and executed it. It is not for me to say, in present circumstances while mystery still shrouds the agent and his motives, what the personal feelings or motives of the assassin were. I need not attempt to say, the fell spirit of that crime was nurtured amid the institutions of a barbaric age, -the remorseless working of American slavery.
